

# Press Release August 2009

## **NEW ADDITIONS TO CSL DUALCOM SALES TEAM**

CSL DualCom are pleased to announce the appointment of Sam Griffith as Southern Area Sales Manager and John Coleman as Midlands Sales Executive. Sam and John will complement the sales effort in their respective areas and help to meet the ever increasing sales demand for the award winning products, DualCom GradeShift® and DualCom DigiPlus®.

Sam was formerly Regional Sales Manager for the South East of England at Risco Group and brings with him a wealth of customer and communication product knowledge.

John worked for Risco Group for the last 10 years where he managed the telesales operation. He brings with him an in depth understanding of national Installers and customer service.

CSL DualCom have invested heavily in their customer-facing structure to provide their customers with a high level of service and support.
