Prize Freeze is subject to the following terms and conditions:

The price of CSL DualCom's GPRS range of signalling services will not increase for a period less than 3 years or before 31st January 2013.

All references to CSL DualCom Ltd are intended to mean just that and in no way infer any new company or change in name or title of any service provided by or supplied through any other, now or at any time in the future.

Prices are those charged by CSL DualCom to its accredited Alarm Receiving Centres and are not intended to reflect any charges passed on by ARCs to their customers for providing monitoring in conjunction with DualCom GPRS.
