

CSL DualCom celebrates 10 years of Dual-Signalling

“Boots recognises the value of dual-path signalling for a rapid police response. This is why we use DualCom from CSL” – *JEFF GARAWAY, LOSS PREVENTION – SECURITY, BOOTS.*

“At Jessops we have a very sensitive stock profile. We chose DualCom Signalling for all of our 280 stores to ensure the most cost effective and reliable signalling available”
– *LEE WELLS, PROPERTY MANAGER, JESSOPS*

“Kings, a major force in Retail Security, relies heavily on DualCom to provide the critical signalling needed to respond to sensitive installations” – *ANTHONY KING, MANAGING DIRECTOR, KINGS LTD.*

“We’ve been installing DualCom since it came onto the market. Over the years we have found it to be totally reliable and the level of support from CSL is second to none. DualCom is our preferred signalling choice” – *PAUL HOWARTH, VICE CHAIRMAN, SWIFT FIRE AND SECURITY PLC.*

“CSL has brought some much needed competition to the secure signalling market with an innovative product” – *DAVE ROSCOE, ARC ENGINEERING MANAGER, INITIAL FIRE & SECURITY.*

“Comet favours Dual Signalling and has used DualCom throughout many branches.” – *COMET.*

“Sainsbury’s has been very progressive in its compliance with the ACPO policy. We have installed DualCom signalling in all of our stores and petrol stations” – *NATIONAL SECURITY MANAGER (DISTRIBUTION), SAINSBURY’S.*

“SMS was associated with the directors of CSL since their involvement with radio signalling in the early 90s. CSL has gone from strength to strength to become a market leader in Dual Signalling. Congratulations on its anniversary” – *STEVE KIMBER, MANAGING DIRECTOR, SMS.*

“NSI wishes to congratulate CSL on a decade of successful contribution to the development of the industry. Good luck for the next decade!” – *TOM MULLARKEY, CHIEF EXECUTIVE, NSI.*

“CSL is a forward thinking company that has rightfully earned its reputation within the industry”
– *ANDREW BARGE, MANAGING DIRECTOR, EMCS.*

“We have enjoyed a long association with CSL and regularly install DualCom. At all times, CSL has proved to be dependable and responsive to our needs”
– *PETER STANTON, INTRUDER PROJECT MANAGER, ADT FIRE AND SECURITY.*

“We have supported CSL DualCom from the beginning. DualCom's presence in the market has ensured competitive balance and kept standards up and end-user costs down”
– *TIM GEDDES, MANAGING DIRECTOR, YEOMAN MONITORING.*

Over 45,000 DualCom installations to date
